We are so proud of all the hard work our volunteers did to complete more than 200 websites and provide $7 Million in impact during 2019! Thank you so much for helping us help the helpers with your professional skills.

#GivingTuesday is tomorrow, December 3, 2019. Now's your best chance to join us setting up our nonprofit recipients for an even bigger impact in 2020.

You can join us on #GivingTuesday in three simple ways. Pick one or all three!

1

Share a story about that one generous person you know who has done something generous. This might be someone who runs a nonprofit, a fellow 48in48 volunteer, or a simple act of good. We want to hear about them and share their impact to inspire others.

Post your short stories on Facebook with that generous person's name, why you're recognizing them, and a specific instance where they were generous. Be sure to use the hashtag **#48in48gives** and t**ag @48in48** so we can see and share your stories. We'll also choose a few stories to highlight in our newsletter and blog! Thank you for participating and inspiring others with your stories of generosity!
