

PRESENTED BY

On behalf of your 48in48 family, we thank you for your participation across the globe in 2019! We wish you and your family a safe and happy holiday season!

We also want to congratulate the 200+ nonprofits who received a brand new website this year and thank them for the efforts. Thank you for all your hard work; we are so proud to be associated with you!

To our volunteers, who created these brilliant websites and digital assets for nonprofits in Atlanta, Raleigh, New York City, Boston, Dallas, and London this year, we say Thank You and know that we could not have been successful without you.

Check out a few of the new websites created:
