We're making our biggest impact yet!

October 4-6 marked the biggest weekend yet for 48in48! We built websites and provided digital marketing services in Atlanta, New York, and Raleigh. That's three cities and more than 22,000 volunteer hours in one weekend!

In 2019 we also built websites in Dallas, Boston, and London. We've celebrated five years of doing good and helping the helpers by supporting more nonprofits than ever before. We want to thank all of our incredible volunteers, our supportive sponsors, and our deserving nonprofits.

Behind the Scenes in Atlanta

Check out the Infographic Celebrating "5 Years of Awesome"!

Drum Roll Please

At the end of every event, a panel of judges chooses three websites that represent the best design, user experience and messaging. Congratulations to the incredible volunteer teams who have gone the extra mile to produce the 2019 winning websites.

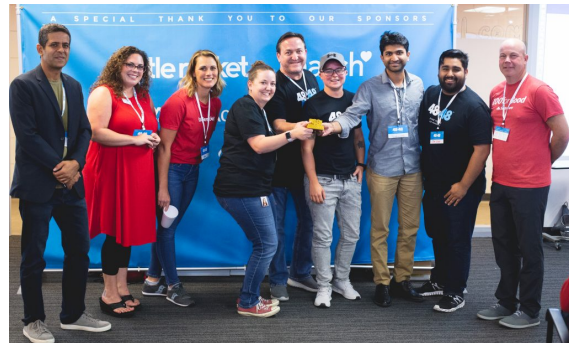

Boston 2019

Team Slalom

Dallas 2019

Team Bottle Rocket

Atlanta 2019

Team State Farm #4

New York City 2019

Team Oragami

London was THIS Weekend!

Thanks to Delta Air Lines, Cisco, and IBM, 48in48 is a global event. Our volunteers and partners in London proved it. We're a team of global citizens ready to use our professional skills to help nonprofits make a bigger impact — in communities around the world.
