

You can make a difference!

Lend your talent and time to help amazing nonprofits better serve their communities

48^{IN}48™
Global Volunteerism

October 1st-3rd, 2021

Support NonProfits in 48 hours!

In our final event for 2021, 48in48 will celebrate the value and impact of global volunteerism. Participating in the Global Event will give you a chance to make connections with like-minded individuals all over the world - perhaps living in places you may like to visit one day.

You will use your skills to help nonprofits around the globe impacting missions related to Food Security, Social Justice, Women's Equity, and more. In one weekend, you will improve a nonprofit's digital footprint by building them a new WordPress site. This new site will improve the connection between nonprofits and volunteers, prospective donors, and the individuals they serve as they continue to pursue their mission and vision for improving the world through their communities.

We need your help to make this event a success.

[Register online to volunteer and join a team that will build a nonprofit website.](#)

WEBSITE BUILD TEAMS

You do NOT need to know how to code. Each team, combined, will need the **five skill sets** listed below. A familiarity with WordPress and BeaverBuilder will enable the best experience but 48in48 also has an extensive knowledge base, including tutorials, to help you get started.

- **PROJECT MANAGERS**
- **DIGITAL MARKETERS**
- **WORDPRESS GURUS**
- **DESIGNERS (UX & UI)**
- **CONTENT MANAGERS**
- **QA**

Detailed skill set descriptions can be found on our [website!](#)
No, you don't stay up for 48 hours straight!

IT'S YOUR TIME TO SERVE...

You can also [refer a nonprofit](#) for any of our events.
