Executive Summary

'Never doubt that a small group of thoughtful, committed, citizens can change the world; indeed it's the only thing that ever has.' - Margaret Mead

In 2022, 48in48 hosted four major events - each focused on a particular initiative. Our team mobilized 200-300 volunteers for each event which included: build teams for the websites, and support for our nonprofits.

- **February - Super Service (Virtual)**
 - Focus on volunteerism as heroism
- **April - Women's Build Event (Virtual)**
 - Mobilizes women to build for women-owned orgs
- **June - Social Justice Event (Virtual)**
 - Serves social justice oriented / BIPOC-led nonprofits
- **October - Global Event (Hybrid @ Cox Enterprises in Atlanta)**
 - Focus on global connection and increased international recruitment

We are grateful to our sponsor and partner organizations who bring volunteers to every event and fill key leadership roles on our Planning Committee and Program Management team.

NONPROFIT TESTIMONIALS

The coursework required by 48in48 allowed me to get clarity on my messaging and goals for my organization. Having a dedicated, talented team to turn my thoughts into the perfect professional website was magical! They were my Fairy Godmothers of Tech & Design and delivered a dream come true! I'm so grateful! - Liala Hishaw (Diversity in Dentistry)

The staff at 48in48 were so helpful and knowledgeable. They made the process so easy. I will definitely refer anyone starting a non-profit to use 48in48. - Danielle Shingietti (Consulting Color)

It was a great experience. The team's commitment to designing a site that represents our organization was evident. It was pleasure working with them. - Curtis King (Reentry Arts Connection)

When I think of 48 in 48 I think about how grateful our organization is for the incredible opportunity that these amazing volunteers gave to our organization. Thank you just doesn't do it justice!! We are forever in your debt for giving us the sustainable gift of social media via our beautiful website!! Thank you!! - Majken Mechling (The Miss America Foundation)

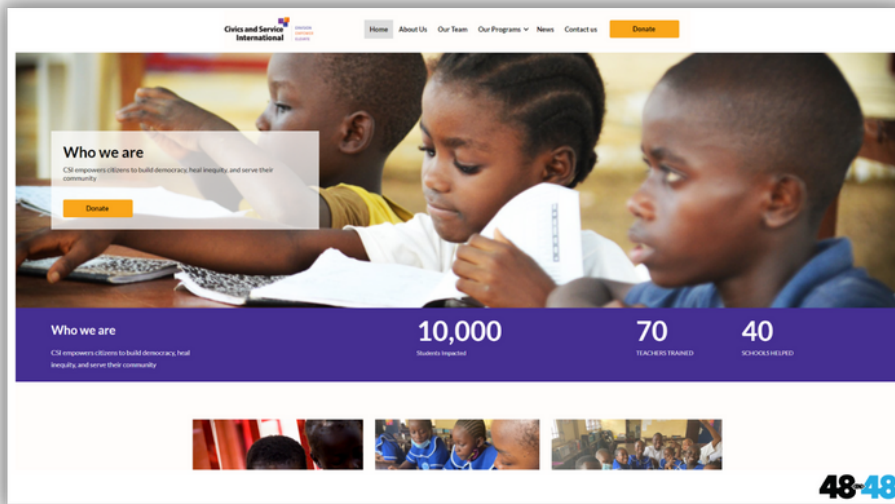

VOLUNTEER TESTIMONIALS

"If I could describe this weekend in three words, it would be impactful, inspiring, and empowering. It's been really incredible to see not only all the people trying to change the world with these nonprofits, but also all the incredibly talented individuals who have come together to be of service to these organizations by building a website."

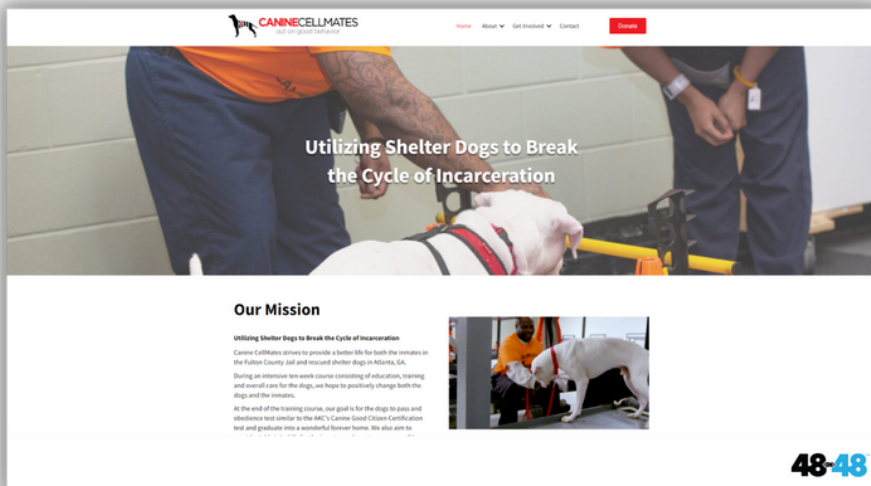

"48in48 is organized ... You know exactly where you're supposed to be, who you're supposed to be with, and who you're doing it for. I think that's something that a lot of organizations could take note of, how to use technology to bridge these different teams around the globe ... 48in48 has done a great job really reaching people where they are."

"At the end of the day, we pull off a miracle, we make people happy and we make nonprofits happy and serve their mission."
