## 2023 Women's Build

Join us for another incredible weekend supporting nonprofits this March 31st- April 2nd, 2023, for our annual Women's Build.

This is a hybrid event, with an **on-site portion at Slalom Atlanta**. Virtual volunteers can join from anywhere.

Sign up for a chance to utilize your professional skills outside the office as part of a team of marketing and technology experts working to bolster the digital footprint of dozens of nonprofits.

For this event, we invite anyone who identifies as woman to join a build team, and collaborate alongside other women to build a site. Others are encouraged to join our auxiliary support teams.
